First Class Guaranteed Auto Protection

Protect your investment.

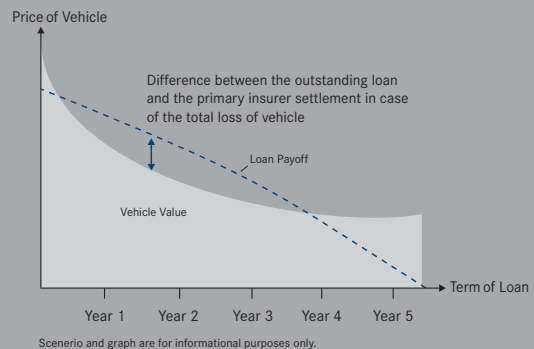

We hope it never happens to you. But each year, millions of vehicles are totaled in events such as a collision, theft or natural disaster. In many cases, the insurance settlement does not cover the loan payoff. By adding just a few dollars to your monthly vehicle payment, Mercedes-Benz Financial's First Class Guaranteed Auto Protection (GAP) plan will protect your financial investment and give you added peace of mind.

Relax. You're covered.

If your Mercedes-Benz vehicle is stolen or declared a total loss in an accident, there can be a significant difference between the amount your insurance company will cover and the balance owed to Mercedes-Benz Financial. First Class Guaranteed Auto Protection not only covers this difference, but it also reimburses you for the out-of-pocket cost of your insurance deductible – up to \$1,000.

Consider this scenario: You purchase a \$60,000 Mercedes-Benz vehicle. Seven months later, you get into an accident that totals your car.

\$55,000	(Loan payoff)
<u>-\$50,000</u>	(Vehicle value)
\$5,000	(The gap)
<u>+ \$1,000</u>	(Insurance deductible)
\$6,000	(Potential out-of-pocket expense)
<u>- \$6,000</u>	(Covered by First Class Guaranteed Auto Protection)
\$0	(Amount you owe)
